

Babysitter Agreement

When I agree to baby-sit for another resident's child/children in the house, I agree to be responsible for the child/children.

I will read the completed Child Information Sheet as well as find out any needed information before the parent/guardian leaves.

I will care for that child/children and abide by the program rules around babysitting to the best of my ability.

I will complete my section of the Child Information Sheet for the parent/guardian and have a conversation with her/him about how the session went.

If I am having a problem during my sitting time, I know I can go to staff for support and help.

If I need to cancel my sitting agreement, I will let the parent/guardian know as soon as possible.

I agree not to take another child into their room or my room and close the door.

I understand that babysitting for each other is a very important obligation at the program. It is also for me to understand my limitations around babysitting, and I will work hard to make shared babysitting a learning and fun experience, not a chore.

I understand the program policy around babysitting.
